Subject: Requesting Assistance Re: Illegal Activities

Hi Team,

Please treat this email confidential and I entrust my safety upon your good office.

I am writing this email to inform your good office regarding the alleged illegal activities being done by some businessmen here in our community. I request that your good office start a thorough investigation on this as this is alarming.

Located at Brgy. Bunganay, Boac, Marinduque. A certain individual is using their acquired machineries to take advantage of the natural resources of the barangay. This has been reported multiple times to the local DENR office. However, there seems to be no action taken even after their visit at some of the sites where the natural resources are exploited.

We would like to make sure that our community, especially the natural resource of our barangay and even the country is not being taken advantage of by people who don't seem to want to abide by the Philippine Constitution.

We request that this be stopped immediately with your assistance as we don't have the capability to do this on our own as we were told that these businessmen have power over some and has connections.

We would like to finally see the changes that has been promised by the Philippine Government Officials and we would like to see corruption gone.

We will be monitoring this and hope that you'll be of assistance to us.

Thank you for your consideration.

Regards,
Concerned Citizen of Brgy. Bunganay Boac Marinduque
