## H I G H L I G H T S

Lionheart Farms (Philippines) Corporation (LFPC) seeks to conserve the remaining forest through protection, reforestation of denuded areas, assisted natural regeneration (ANR) of the remaining forest, and secure the protection and maintenance of planted trees.

The Forest Protection project also aims to achieve the following:

- (1) Compliance with the JVA requirements;
- (2) Strengthening existing collaboration(s) with the MENRO, PCSD, DENR, Municipal LGU, and Local Government Units (LGU) of Ransang and Candawaga, Rizal and other local communities and partners primarily with the protection and reforestation of the denuded forest;
- (3) Supporting the National Greening Program of the Government (NGP);
- (4) Further enhancement of the awareness and capabilities of the local communities in the protection, and reforestation of denuded forests and establishment of endemic fruits & trees, and high-value fruit tree plantation;
- (5) Effective mobilization of local communities towards the protection of the remaining forest and establishment of high-value fruit tree plantation; and
- (6) help improve the living conditions of IPs and non-IPs through the promotion of raising indigenous tree and fruit tree seedlings.
