DENR MIMAROPA Region

**THRU :** The Assistant Regional Director for Technical Services

**FROM :** The OIC, PENR Officer  
Oriental Mindoro

**SUBJECT :** **IEC ON OIL SPILL IN THE MUNICIPALITIES OF  
PINAMALAYAN AND GLORIA, ORIENTAL MINDORO**

Submitted herewith is the report of CENRO Roxas on the conduct of Information, Education and Communication (IEC) on oil spill affected areas in the municipality of Pinamalayan and Gloria, Oriental Mindoro.

The activity was held on November 9, 2023 and participated by Barangay Officials, Barangay LGUs, MENRO, Bantay Dagat and DENR personnel. A total of 120 participants, 50 females and 70 males actively participated in the activity.

This activity focused on the adverse effects of oil spill to coastal and marine ecosystems. The importance of mangroves in coastal areas and the further effects on health of oil spill within the affected communities were also included in the IEC.

Attached are the photo documentation and attendance sheet of the activity.

For information and records.

November 13, 2023

**MEMORANDUM**

**FOR** : The CENR Officer  
Roxas, Oriental Mindoro

**FROM** : The IEC Officer

**SUBJECT** : **IEC ON OIL SPILL IN THE MUNICIPALITIES OF  
PINAMALAYAN AND GLORIA, ORIENTAL MINDORO ON  
NOVEMBER 09, 2023**

The Phil-Star Global Manila Philippines released statement on June 17, 2023, that the Philippine Coast Guard announced the completion of the oil removal and recovery operation in Naujan, Oriental Mindoro, months after the unfortunate sinking of the MT Princess on February 2023.

In besides covering and harming marine animals, the spilled oil can disrupt food chains, contaminate water sources, and harm the environment over time. Cleanup efforts involve a combination of mechanical, chemical, and biological methods to minimize the impact and restore affected areas. Furthermore, the office notifies those affected that it has recovered from the oil spill, and people report that there is no longer any oil spill in our area. As a result, we are permitted to visit the sea and carry on with water activities like swimming and fishing.

The first municipality that this office have conducted IEC with regards to oil spill was Pinamalayan. One of the affected areas in Oriental Mindoro. That have Eight Barangay was affected namely barangay Banilad, Zone1, Quinabigan, Ranzo, Papandayan, Wawa, Lumangbayan and Brgy. Marfrancisco in Pinamalayan, Oriental Mindoro in this regard, this office has conducted an information education campaign to inform them of the value of being

prepared in case a similar situation arises again and its negative effects on our environment. Also, the effects of oil spills on human health. It was participated by Barangay Official, Bantay Dagat, MENRO, Barangay LGU, and DENR personnel. A total of 50 participants, consisting of 17 females and 33 males based on attendance engaged during the activity period across several sectors.

The activity started with a program wherein a prayer was delivered by IEC Officer/Forest Technician I Nowena B. Joung MPA, and after that graced the event with his warm support of the activity by Barangay Captain Zoneo Dimaano expressed his gratitude to the participant of the other barangay. Further, Forest Ranger Mr. Niel Rocky Cabayao discussed about Biodiversity and described the various types of plants, trees, flowers, animals, fungi, insects, and microorganisms and all about tamaraw which is the biggest wild land animals that can only see in Mindoro. and also discuss how to save biodiversity. It was followed by Mrs. Nowena B. Joung who is an IEC Officer/Forest Technician I, There discussed the negative effects of oil spills on humans. The short-term and long-term negative effects were explained.

The last speaker is Admin Aide VI Mr. Dale Alagao discussed about Marine Biodiversity discuss illegal fishing and distractive fishing what will happen when we use what is prohibited in fishing because it will damage our coral reefs and it is also one of the reasons for the death of fish so we should avoid using it so as not to damage the sea so we should take care of our nature. After the discussion question and answer followed.

Further, MENRO Pinamalayan Engr. May Anne Briones shared about some of her about biodiversity. The activity ended with a message from the Information Officer Nowena B. Joung, MPA expressed her gratitude to the participants, especially the fisherfolks, and Barangay Officials for their commitment and support to the environmental activities this Office will still have.

In the afternoon, this office went straight to the municipality of Gloria to conduct the IEC with regards to the oil spill. Gloria has Eight barangays were affected, by oil spillage namely Barangay Agsalin, Balete, Guimbonan, Maragooc, San Antonio, Tambong, and Brgy. Kawit in Gloria, Oriental Mindoro. In this regard, this office has conducted an information education campaign to inform them of the value of being prepared in case a similar situation arises again and its negative effects on our environment. Also, the effects of oil spills on human health It was attended by barangay officials, Bantay Dagat, MENRO, barangay LGU, and DENR personnel. It was composed of 33 female and 37 male participants, for a total of 70 participants.

The program began with a prayer delivered by IEC Officer/Forest Technician I Mrs. Nowena B. Joung MPA started with a prayer followed by Barangay Captain Danilo E. Sagun who honored the event with his warm support of the activity and expressed his gratitude to the other barangay's participant. Further, Forest Ranger Mr. Niel Rocky Cabayao discussed about Biodiversity and described the various types of plants, trees, flowers, animals, fungi, insects, and microorganisms and all about tamaraw which is the biggest wild land animals that can only see in Mindoro. And also discuss how to save biodiversity. It was followed by Mr. Mark Aballos who is a Nurse by profession but serves as Admin Aide IV, there he discussed the negative effects of oil spills on humans. The short-term and long-term negative effects were explained. After the discussion question and answer followed.

The last speaker is Admin Aide VI, Mr. Dale Alagao, discussed Marine Biodiversity and discussed illegal fishing and distractive fishing. What will happen when we use what is prohibited in fishing because it will damage our coral reefs and it is also one of the reasons for the death of fish, so we should avoid using it so as not to damage the sea, so we should take care of our nature. After the discussion, questions and answers followed.
