MEMORANDUM

FOR : The Community Environment and Natural Resources Officer

FROM : The undersigned

SUBJECT : **APPREHENSION REPORT OF TRANSPORTED ILLEGALLY POSSESSED 29 PIECES IPIL LUMBERS LOADED ON A WHITE COLORED NISSAN VAN BEARING PLATE NO. RAM 944 IN THE POSITION OF BERNARD REGENIO AND JOSHUA GAYLAN WITHOUT ISSUED CUTTING PERMIT FROM THE DENR ALONG THE PROVINCIAL ROAD AT SITIO MANABALI, BARANGAY MAGBABADIL, ABORLAN, PALAWAN**

A. BACKGROUND INFORMATION

Based on relayed information by a reliable person that there was an undetermined volume of illegally gathered Ipil lumbers coming from Barangay Cabigaan, Aborlan, Palawan and is scheduled to be transported by nightfall of October 14, 2023. Upon receiving such information the undersigned personnel immediately made a strategic plan on how to execute the entrapment operation.

B. OBSERVATION AND FINDINGS

At around 8 o'clock in the evening we started to monitor the entry of all vehicles coming from Barangay Poblacion to Barangay Cabigaan that are capable to transport heavy loads like wood lumber. It took us to wait for several hours until finally at around 3:15 in the morning it was spotted the entry of a white-colored Nissan van and thereafter we waited for the return of the aforementioned vehicle that eventually at about 4:25am of October 14, 2023 the said vehicle passed by on a certain spot location where we lie in wait and found the said conveyance loaded with manufactured lumbers. We immediately chased them and ordered the driver to stop the vehicle. Five persons alighted from the said vehicle and thereafter we requested to the driver to present a Cutting Permit issued by the DENR, however, he was not able to show any issued document to support the legality of transporting such lumbers. Involved persons were identified as Bernard Regenio (35 yrs old) who is the driver of the vehicle and 4 helpers namely Joshua Galan (21 yrs old); Dve Adrianne M. Maulion (16 yrs old); Edrian E. Cañeso (17 yrs old) and Benjil G. Regenio (15 yrs old), all are residents of Poblacion, Aborlan, Palawan. Evidently that there was a committed violation of **PD 705** particularly in **Section 77** which states *Cutting, Gathering and/or collecting Timber, or Other Forest Products Without License. – Any person who shall cut, gather, collect, removed timber or other forest products from any forest land, or timber from alienable or disposable public land, or from private land, without any authority, or possess timber or other forest products without the legal documents as required under existing forest laws and regulations, shall be punished with the penalties imposed under Articles 309 and 310 of the Revised Penal Code: Provided, That in the case of partnerships, associations, or corporations, the officers who ordered the cutting, gathering, collection or possession shall be liable, and if such officers are aliens, they shall, in addition to the penalty, be deported without further proceedings on the part of the*

Commission on Immigration and Deportation. The court shall further order the confiscation in favor of the government of the timber or any forest products cut, gathered, collected, removed, or possessed as well as the machinery, equipment, implements and tools illegally used in the area where the timber or forest products are found.

After such apprehension we immediately call the hotline number of the Municipal Police Station (MPS) of Aborlan to provide security assistance in transporting the apprehended forest product, conveyance and the 5 involved persons to the aforementioned PNP Station supposedly for inquest proceedings of the violators, however, fortuitously the apprehension happened on non-working day (Saturday), therefore, we decided to file a criminal complaint against the culprits as regular filing. There has a total of 29 pieces Ipil lumbers of different wood sizes and dimensions that aggregate a total volume of 510 square meters (see attached Tally/Scale Sheet).

The abovementioned apprehended illegally possessed forest product including the conveyance are now deposited inside the office compound of DENR-CENRO Puerto Princesa to secure for proper disposition.

RECOMMENDATION

Based on the foregoing findings, the undersigned personnel are hereby recommending the following, to wit:

- 1) The involved persons should be filed a criminal complaint for a court litigation of the criminal offense they committed;
- 2) They should also be invited to attend Administrative Hearing on the committed violation to Section 77 of Presidential Decree 705, and
- 3) Intensify surveillance and monitoring of illegal forest destruction and poaching of flora and fauna in the Municipality of Aborlan

Herewith attached are the copy of Apprehension Receipt, Tally/Scale Sheet and taken geo-tagged pictures during apprehension.
