SUBJECT : **ACCOMPLISHMENT REPORT ON THE PRODUCTION AND DISTRIBUTION OF THE CUSTOMIZED MMPL ACTIVITY BOOKLET UNDER THE DENR WFP CY 2023**

Please be informed that the undersigned staff of Mount Mantalingahan Protected Landscape-Protected Area Management Office (MMPL-PAMO) accomplished the production and distribution of 120 pieces MMPL Activity Booklet for children.

The undersigned started designing and conceptualizing the activity booklet last February 2023 and was able to create a story and characters thru GIMP, an open-source raster graphics editing tool used for image manipulation. In connection to that, a progress report was submitted last February 23, 2023, however, that first story was found to be difficult for most children to understand, hence, another concept was made, new story is created and new characters are drawn. This paved way for the creation of the story "Ambu na si Ina?". The title is in IP "Palaw'an" dialect which translates to "where is Mother?". A story that portrays the connection between MMPL and its stakeholders.

The Booklet is 30 pages and is comprised of one (1) page for opening message, twenty (20) pages for story-telling and Nine (9) pages for activities such as the following:

- | | | |
|----------------------|---------------------|-------------------------------|
| 1. Coloring activity | 4. Associating | 7. Pick in the frame |
| 2. Maze | 5. Name the species | 8. Coloring and story-telling |
| 3. Selection | 6. Cross words | 9. Pledge of support |

The activity booklet has been distributed to different schools around MMPL and table below summarizes the details of distribution.
