Sir:

Greetings of peace and prosperity!

We wish to report the completed makeshift classroom and 200 pcs of wooden armchairs where most of the frame and structures of the aforementioned subject were good lumber donated by your generous office.

Relative to this humble message, once again, we would like to seek your kind cooperation and help for the provision of good lumber which shall be utilized for the construction of additional two learning spaces. The granting of our request shall reduce the number of our students huddled in our covered court to this very moment.

In addition to this request, we would also like to take the opportunity to seek your helping hand for the Titling of the 10,000 square meter area of our school that may lead to the full abatement of other government agencies.

Attached to this letter is a picture of the completed makeshift classroom and armchairs for your reference.

We are very optimistic that the needs of our learners shall be met through your great support.

Thank you very much, may the Lord bless you in all your endeavors.

Very truly yours,

TO THE MANAGER
Office of the CENRO
Roxas, Oriental Mindoro

Sir:

Greetings in the Name of Public Service.

Preparing for the upcoming opening of the new School Year, Cacawan High School checks on its crucial resources and found that a lot of necessities are needed to be addressed like armchairs, classrooms, and learning materials. We come to the municipal mayor to request that the cut trees in the town proper be awarded to the school so that its wood be used in the provision of armchairs – the labor of which will be raised through Brigada Eskwela Plus. The municipal mayor advised us to come to your office to ask for your permission regarding our request.

Regarding our needs for classrooms, we have 14 classes for School Year 2022-2023 but the classrooms we have are only 5. The computer laboratory and the faculty room will be used as instructional classrooms. There is also 1 makeshift. The school's crucial resource in terms of learning space marks the need for additional 6 classrooms/makeshift. With this, we come to you also to request good lumbers to be used in the roofing of the proposed construction of makeshift classrooms to house the increasing enrollees of CacawanHS. Attached here are the Bill of Materials and Sketch Plan by our Schools Division Engineer and the certification of no available fund for the said purpose by the DepED Division of Oriental Mindoro Budget Officer.

Your favor on this request will lighten our load in meeting the requirements of our successful delivery of basic education to our learners.

Respectfully yours,

PAMELA S. ANDULAN

CERTIFICATION

To Whom It May Concern:

This is to certify that Cacawan High School, Pinamalayan East District, this Division situated at Cacawan, Pinamalayan, Oriental Mindoro is one of more than five hundred public elementary and secondary schools which receives its Annual Budget – School Maintenance and Other Operating Expenses (MOOE) from the National Government per General Appropriation Act (GAA). Other than the School MOOE, no other fund is downloaded to the school except when a special program is rolled and that the school is identified as a recipient school, i.e. Feeding, Partnership, and others.

For this Fiscal Year 2022, Cacawan High School has an Annual Budget (MOOE) amounting to **Four Hundred Thirty-Four Thousand One Hundred Fifty Pesos (Php 434,150.00) only** which may be utilized per items stipulated in DepEd Order No. 13, s. 2016 titled Implementing Guidelines on the Direct Release and Use of Maintenance and Other Operating Expenses (MOOE) Allocations of Schools, Including Other Funds Managed by Schools.

Thus, this Office certifies that the school has no appropriation for the purchase of Good Lumber to be used in the repair/rehabilitation of classroom buildings, construction of makeshifts, nor in the production of armchairs.

Efforts of stakeholders including PTA, Civil Society Organizations (CSOs) and Local Government Units (LGUs) have helped the school. But these were still insufficient. Schools like Cacawan High School need sponsors and donors.

This certification is issued to Ms. Pamela S. Andulan, School Head this 15th day of August 2022 in Sta. Isabel, Calapan City, Oriental Mindoro for whatever legal purpose it may serve.
