Dear RED Mirasol,

Relative to the implementation of the **Assessment and Inventory of NGP Graduated Sites from CYs 2011 – 2016 within the Jurisdiction of PENRO Oriental Mindoro**, we would like to request the above subject in order for us to process and select the sample plots to be subjected for inventory and assessment using GIS software following the DENR 2023-09 “Guidelines in the Conduct of Inventory and Assessment of Graduated NGP Plantations by the Third-Party Evaluators”. Results of generated sampled plots will help us prepare the Schedule of Implementation which will also be submitted to your office for review and approval.

Should you have inquiries or clarifications, please do not hesitate to contact the undersigned at mobile number 0917.854.3178 or email address at brcuevas@yahoo.com.

Thank you very much and we look forward your favorable response on our request.

Yours truly,
