Dear Colleagues

Please find the draft report of the Inception Workshop held on the 1st July 2021 at the following link to download in pdf
- <https://we.tl/t-a8oAqm0a5E>

May I kindly request all colleagues who presented to check their interventions and to let me know by the 17th August any final edits and/or corrections at virginieh@unops.org.

Thank you again for your contribution to a great first event of the SCS SAP project. We look forward to future face to face meetings with many of you, and will be in regular contact on future plans and cooperations.

Above all, in the meantime, I wish for you, your families and loved ones to be safe and well.

Best regards, Virginie
