Subject: COMPLAINT - UNREGISTERED LUMBER DEALER
To: <aksyonkalikasan@denr.gov.ph>

Hi DENR!

Good day!

I would like to seek your assistance RE: UNREGISTERED LUMBER DEALER in El Nido Palawan, who continues to do business even without proper business permits and environmental permits.

I have a business in Palawan and have complied for all the necessary permits to be able to operate and sell lumber in the region, but it has come to my attention that A&A Lumber Shop owned and operated by Mr. Bong Badilla of Manlag El Nido Palawan is operating without accomplishing the required permits for the operation. I would like to request if you can investigate this matter. It is unfair for us lumber distributors with complete documents to compete with a dealer who is operating illegally. Many of us are puzzled on how they were able to operate without the necessary permits.

I hope that you can give this matter your preferential attention.

Best regards,

CONCERN CITIZEN
