Hi DENR,

Good day!

Prior to my first email dated August 16, 2021 RE: UNREGISTERED LUMBER DEALER  
Please see below pictures and details of other unregistered lumber distributors that are still operating without permits and licenses.

1) A&amp;A Trading located in Lio Villa Libertad El Nido

2) RHHD Lumber Trading located at Lio Villa Libertad El Nido owned and operated by Mr. Harold

Looking forward to your response in this matter, and we licensed operators would like these operators to be investigated and play fair in the market and pay their duties to the government.

Regards,
