Dear RED Ondette,

In compliance to your instruction, I advised EMS Rolando Capistrano of EMB, to conduct investigation regarding the complaint of Mr. Rosales re: Piggery operation owned by Ms. Rodas located in Bgy. Kilo-kilo, Sta. Cruz, Marinduque.

As a result of investigation, forwarded herewith is a copy of the report by EMS Capistrano using EMB Prescribed Monitoring Form. Same report was already submitted to RD Drake Matias.

For your information and further instruction Ma'am.

Aymeesh

Note: Formal MEMO/TRANSMITTAL will be sent tomorrow. Thank you.
