Dear Sir/Ma'am:

This has reference to the updating of the Philippine Forestry Statistics (PFS) for CY 2020 in line with its publication in September 2021.

In order to validate the preliminary statistical tables, a **Validation Meeting on PFS 2020** will be conducted on August 24, 2021 via Zoom.

This activity will also serve as an avenue for the discussion on observations and come up with official data to be adopted thereon.

Draft statistical tables are available at bit.ly/draftPFS2020tables for your ready reference and initial review prior to the conduct of the validation meeting.

In this regard, may we request the Chief, Planning and Management Division and your respective statistical focal persons who handle forestry-related data associated with PFS publication to participate in this meeting.

We would greatly appreciate receiving your confirmation on the matter by providing us with names and email addresses of two (2) or more representatives from your office through foreststatistics@gmail.com on or before August 20, 2021.

Should there be inquiries, please do not hesitate to communicate with Mr. Rowell Velonza at mobile number 09778405258 or through this email.

For your information and appropriate action, please.
