---

I am writing to express my interest for the position as Engineer II at TSD, PENRO Marinduque posted at Civil Service Commission Website dated July 27, 2021.

The qualifications are very appealing to me, and I believe I have met all those qualifications. I also believe that my strong technical experience and education make me fit for the position. I wish to bring my knowledge, skills, and commitment to excellence to your company's innovative environment.

I got my licensed as Registered Civil Engineer on May 2015; prior to this I had finish my first degree in Bachelor of Science in Mathematics in the Polytechnic University of the Philippines in Manila in April 2003. I have developed my true passion in my chosen career this time as Civil Engineer. I've been worked to some of the best professionals in the industry. I am fully aware of the role and responsibility that need to be shouldered. I am willing to take this as a challenge and prove my ability to deliver better results even under pressure.

For additional details regarding my qualification and expertise, please review my attached comprehensive CV together with personal data sheet.

Thank you for taking time to consider this application and discuss more about me for evaluation at your convenient time. Please feel free to email or call me at 0921-2510094. I hope to hear from you.

Sincerely,

**Rodel F. Fodulla**
