Subject: Online Training on Satellite Observations and Tools for Fire Detection

**Asian Disaster
Preparedness Center**

Dear ADPC colleagues,

Our GEO department, through the SERVIR-Mekong project, will organize a 2-day online training on Satellite Observations and Tools for Fire Detection on 26-27 Aug. Please see the details below.

<https://servir.adpc.net/events/satellite-observations-and-tools-fire-detection>

If you are interested, please register for it. Be noted that this is a technical training, so basic understanding of remote sensing is required to join this training.
