**Dear Colleagues,**

We hope this email finds you well.

The BMB in partnership with BioFin Project is organizing a three-part Webinar Series on Ecotourism. The said event will be conducted on September 17, 24 and October 1, 2021, respectively.

Relative to this, we would like to invite the PASus and/or APASus, 2 staff from the PAMO and PAMB members of the Ecotourism Committee or Equivalent committee of the 38 selected protected areas.

The PA Management Office may invite at most 7 pax from the following members of the Protected Area Management Board of the selected 38PAs:

- Representatives from the Local Government Unit preferably with at least one (1) Municipal Tourism Officer or Provincial Tourism Officer;

- Representatives from the Non-Government Organizations, People's Organizations, and/or the Private Sector either directly or indirectly involved in ecotourism per PA; and
- Representative/s from partner academe.

The Memo invitation is attached herein for reference.

Further, we encourage that students from the partner academe be invited to watch online via the FB page of the Bureau @denrbiodiversity.

Lastly, we have prepared a Matrix where you can indicate the name, designation and email addresses of the nominees or confirmed PAMB members who will participate in the said Webinar. [Please click here.](#)

Should you have queries and clarifications, please email us.

We hope for positive feedback from your end. Thank you very much.

Our kind regards,
