MEMORANDUM

FOR : The Regional Executive Directors
DENR Regions 1-13 and CAR except NCR

ATTENTION: The Regional CBFM Coordinators

FROM : The Assistant Secretary for Policy, Planning and Foreign Assisted and
Special Projects, and Director, in concurrent capacity

SUBJECT : **REQUEST FOR THE COPY OF SOCIO-ECONOMIC AND
ENVIRONMENTAL BASELINE (SEEB) REPORTS FOR CY
2014 AND 2015 CBFM-CARP PROJECTS**

DATE : **AUG 31 2021**

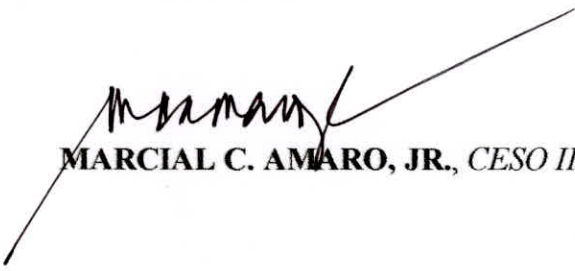

This pertains to the conduct of Impact Assessments of CBFM-CARP Projects which is being conducted through the assistance of a third party or Assisting Professional (AP) by your respective Regional Offices since CY 2017. Impact assessment is a tool for assessing the impacts on the social and economic aspects of the lives of the farmers and on their environment of CBFM-CARP projects. It helps in outlining the advantages and disadvantages of activities undertaken and examines possible synergies and trade-offs in the overall project implementation.

As a structured process, the major reference in the impact assessment is the Socio-Economic and Environment Baseline (SEEB) Report which is being done before each CBFM-CARP project be implemented using the FMB Technical Bulletin No. 9 entitled "Field Guide on the Conduct of Benchmarking and Impact Assessment of CBFM-CARP Projects". Pursuant to the CBFM-CARP Project Implementation Guide per Memorandum from the Undersecretary for Staff Bureaus dated 05 June 2013, the conduct of SEEB is part of the 10% of the total project cost of each approved CBFM-CARP project. Hence, the Region should have conducted the respective SEEB studies of CBFM-CARP projects.

Further, please be informed that starting CY 2022 per approved Net Expenditure Program (NEP) of DENR-CARP, the FMB will assume the conduct of impact assessments of CBFM-CARP projects particularly the CY 2014 and 2015 approved projects through the assistance of a third party. This is to ensure that a consolidated national report is prepared after the conduct of impact assessment. However, the FMB targeted 30 sites which will be selected through systematic random sampling from the CBFM-CARP projects with available SEEB reports.

Relative thereto, this Office would like to request for the **copy of SEEB reports of CY 2014 and 2015 CBFM-CARP approved projects** per attached Tables 1 and 2. We appreciate to receive the said copies **on or before 29 October 2021** for this Office to prepare for the early procurement process of the Third-Party Professional. If a softcopy is available, please send the same to the Community Forestry Section at their email address at **fmb2cbfm@gmail.com**.

FOR INFORMATION AND CONSIDERATION, PLEASE.

MARCIAL C. AMARO, JR., CESO III

cc : *The Undersecretary for Field Operations and Environment*
The National Coordinator, DENR-CARP National Coordinating Office
