Dear Director Ferrer,

With reference to the Blue Alliance for the Or. Mindoro MPA Network, Inc. co-management agreements on Locally-managed MPAs with the LGUs of Baco, Calapan, Puerto Galera and San Teodoro in Or. Mindoro, we would like to request your signature as witness to the agreements signed and entered into by the 4 LGUs. UNDP suggested you as MIMAROPA Director to witness on behalf of DENR.

We are sending you first the co-management agreement with Puerto Galera for your signature.

The other co-management agreements will follow for your signature as witness also .

We would appreciate receiving the signed e-copy (pdf format) for our reference and perusal. We will be attaching the signed documents to our full proposal to the Global Fund for Coral Reefs which happens to provide initial funding to Blue Alliance. GFCR joins UNDP and IUCN as partners of Blue Alliance in the Philippines in its initial stage of implementing the BA Annual Work Plan (your office was furnished with a copy by office of Usec Anna Teh).

Blue finance structured the blended financing for Blue Alliance.

Wishing you the best of health especially during this time of pandemic

Very truly yours,

**Alain Maulion**
