MIMAROPA Communicators Network (MIMAROPAComNet) is an association of information officers in regional line agencies of MIMAROPA, organized by the Philippine Information Agency (PIA).

The organization aims to foster unity and cooperation among all government information officers/communicators in the MIMAROPA region and extend support and assistance to the information and advocacy programs of the regional government institutions.

We are pleased to inform you that the MIMAROPA Communicators Network (MIMAROPAComNet) will finally have a new set of officers and board members through virtual elections that will be held on September 14, 2021.

Members who were present during the meeting held on July 14, 2021 (via Zoom) nominated fifteen (15) candidates who will vie for the association's officer positions. The top eleven (11) who will emerge as result of the elections will compose the five (5) executive officers

and six (6) board members. The elected officers will then later on decide who among themselves will serve on the specific positions.

Please use the **attached form** to indicate the **name of your designated MIMAROPAComNet member** who will participate in the selection of officers send back to us thru email (piamimaropa@gmail.com) on or before September 3, 2021.

For further inquiry, please don't hesitate to call Ms. Lanie Ronquillo (0999-8879309).

Thank you for your unrelenting support to the MIMAROPAComNet.

Keeping the faith that you will always be safe and healthy amidst the pandemic.

Very sincerely yours,
