Dear Madam:

Both of us are nonagenarians, thus we need technical men to describe both areas comprising BARRIO TAYAMAAN.

Madam, without our technical men in the area we can roughly say the whole Barrio of Tayaman, (comprising equally the same area) divided into two equal halves, is titled to Mrs. Bambi & Mr. Luis Darapesa, and to their son, named Meynardo.

The same Documents were rightfully deposited in the Provincial Fiscal's Office and the Register of Deeds, pending permanent Provincial Offices.

Madam, under ailment for sometimes and my wife having difficulties moving around is quite a laborious condition. Kindly please help us under same situation.
