

EIGHTEENTH CONGRESS OF THE)
REPUBLIC OF THE PHILIPPINES)

SENATE
S.B. No. 2270

Introduced by **SENATOR IMEE R. MARCOS**

AN ACT ESTABLISHING THE MARINDUQUE SPECIAL ECONOMIC ZONE IN THE MUNICIPALITY OF SANTA CRUZ, PROVINCE OF MARINDUQUE, CREATING FOR THE PURPOSE THE MARINDUQUE SPECIAL ECONOMIC ZONE AUTHORITY, APPROPRIATING FUNDS THEREFOR AND FOR OTHER PURPOSES

EXPLANATORY NOTE

Section 20 of Article II of the 1987 Philippine Constitution provides that *"The State recognizes the indispensable role of the private sector, encourages private enterprise, and provides incentives to needed investments."*

According to the Private Enterprise Development in Low Income Countries (PEDL), countries across the world are increasingly exploring the possibilities presented by special economic zones (SEZ), and attempting to seize their potential to catalyze economic development and structural transformation. The United Nations Conference on Trade and Development (UNCTAD) reported that as of 2019, 147 countries had established some kind of SEZ, with the total number of SEZs worldwide nearing 5,400.

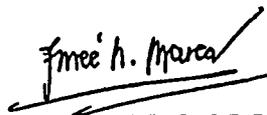

Marinduque is an island province located in Southwestern Tagalog Region or MIMAROPA with a total population of 234,521, according to the Philippine Statistics Authority (PSA) 2015 Population Census. It comprises six municipalities with 218 barangays. Currently, Marinduque is served by flights via the Marinduque Airport located in Masiga. The province may also be accessed through a seaport in Balanacan. A daily boat trip from General Luna in Quezon province to Santa Cruz and vice versa may also be availed by both cargoes and passengers.

During the visit of Tourism Secretary Bernadette Romulo Puyat on 25 May 2021, House Speaker Lord Allan Velasco presented the tourism potentials of Marinduque, adding that reopening the province to leisure visitors would aid the tourism sector that suffered due to travel restrictions brought by the pandemic. According to Provincial Tourism Officer Gerardo Jamilla, Marinduque has 17 tourism and hospitality establishments accredited by the Department of Tourism (DOT). With the promising

tourism potential, it is but fitting to support the development of the province by enacting measures which will foster economic and trading activities in the area.

This bill therefor seeks to establish the Marinduque Special Economic Zone (MAREZ) in the Municipality on Santa Cruz, Province of Marinduque which shall bolster economic growth by creating employment opportunities, increasing industrial infrastructure investments, enhancing trade efficiency of domestic firms, and fostering foreign investments thereby uplifting the economy and improving the lives of people throughout the province. Moreover, the establishment of this ecozone will offer a technological hub which will pave the way for technological start-ups and further encourage expansion of domestic companies. This will also establish and maintain a one-stop shop to facilitate ease-of-doing-business for prospective investors.

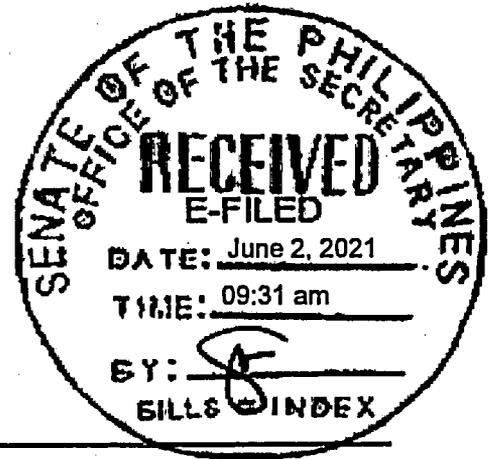

In view of the foregoing, the speedy passage of this bill is earnestly sought.

IMEE R. MARCOS
