FROM : THE UNDERSECRETARY FOR SOLID WASTE
MANAGEMENT AND LOCAL GOVERNMENT UNITS
CONCERNS

SUBJECT : FUNCTIONS AND RESPONSIBILITIES OF THE
ENVIRONMENTAL MONITORING OFFICERS (EnMos) UNDER
THE SOLID WASTE ENFORCEMENT AND EDUCATION
PROGRAM (SWEEP) OF THE ENVIRONMENTAL
MANAGEMENT BUREAU (EMB)

This refers to the activities of the Environmental Monitoring Officers (EnMos) under the Solid Waste Enforcement and Education Program (SWEEP) of the Environmental Management Bureau (EMB).

Relative to this you are hereby instructed to ensure that the EnMos will focus on the implementation of solid waste management activities and other environmental activities specified in the guidelines provided annually by the EMB Central Office to its Regional Offices. This is to ensure that the solid waste management targets are accomplished on time and that the technical assistance on SWM is effectively and efficiently provided to the LGUs and other stakeholders to achieve the objectives of the SWEEP.

For strict compliance.
