MEMORANDUM

FOR : The Regional Executive Director
DENR, MIMAROPA Region

THRU : The Assistant Regional Director for Technical Services
The Assistant Regional Director for Management Services

FROM : The OIC-PENR Officer

SUBJECT : **REPORT ON THE EFFECTS OF TYPHOON "ODETTE"**

This is in compliance with the Memorandum of Atty. Ernesto D. Adobo, Jr., Undersecretary for Legal, Administration, Human Resources and Legislative Affairs, regarding the abovementioned subject.

We would like to inform that the province of Marinduque was spared from the powerful effect of super typhoon "Odette" with international name "Rai" that hit the Visayan and Mindanao regions on December 16, 2021 leaving thousands of families homeless in the said regions.

Based on our inventory, no damage was sustained both on DENR-Marinduque buildings and other properties, personnel, and to our National Greening Program Reforestation Projects. The whole province just experienced light rain and slow moving wind which is not capable of bringing damages to lives and properties.

For your information and record.
