The Department of Environment and Natural Resources through the Strategic Communication and Initiatives Service (SCIS) has launched the Solid Waste Management (SWM) Advocacy Campaign last October 15, 2021 which aimed to raise public awareness and encourage stakeholders to participate in the government's solid waste management program.

Part of the campaign is the contest dubbed as “Make Your Own Toy” which was participated by kids aged 7-12 at the regional level. The contest showcased the creativity and artistry of the kids through upcycling and recycling which as envisioned by the Department can influence behavioral change towards proper solid waste management.

Relative hereto, all officials and employees are invited to attend the awarding of winners of “Make Your Own Toy” during the hybrid program to be held on December 3, 2021 at 10:00AM at the Training Center, Biodiversity Management Bureau with **Zoom ID: 965 0523 1126 and Passcode: DENR**. The Regional Offices are enjoined to ensure the participation and/or attendance of their respective regional contestants.
