Subject: appeal Mrs. W. Sanchez

Ma. Lourdes G. Ferrer

Regional Executive Director

MIMAROPA

Date: November 11, 2020

Subject: Request authority to haul/dispose planted trees damaged by typhoon Ursula last December 25, 2019

This is a request for assistance on how to haul and dispose the trees planted in the area of CTF issued to Mrs. Wilhelmina Sanchez at Sto. Cristo, Lourdes, Magsaysay, San Jose Occidental Mindoro.

Facts relevant to this request.

1. Area covered by Communal Tree Farm Lease Agreement - 21 hectares
2. CTF expired on October 2006
3. Since 2007 applied for renewal of Lease Agreement up to present no tenure/agreement issued. Due to the changes of Rules, procedures, requirements and head of offices. So many times surveyed, inventory and evaluation and from the different offices required supporting papers and so forth till the regional office.
4. When I followed this up in 2018 at the regional office. I was advised to apply for SIFMA. With this I worked for the compliance with all requirements till in November 8, 2019 was the advice to follow up the LIKAP-CBFM. From that time till present I have helped LIKAP to comply with the requirements and every time we are asked to submit additional papers. This CBFM group do not have that much interest in speedy processing since I am the only member with an area fully planted with harvestable trees.
5. During the First typhoon Haiyan that hit Mindoro, I have requested for a permit to cut. No assistance given.
6. Last year with Typhoon Ursula last December 25, 2019. There were almost 1000 trees destroyed. This was inventoried together with DENR personnel. Parcel 1- **17.01** cu.m. – Parcel 2&3- **30.75** cu.m. – Parcel 4 **14.88** cu.m. With this is permit to haul and sell declined.

7. It is now almost a year and just last week is another typhoon Quinta that hit Mindoro. The trees damages by Ursula is beginning to rot. It took us more than 30 years to maintain the area and it hurts to see that this go to the drain. I am very sincere with complying with all requirements in the hope to be given the proper lease agreement.

Appealing to your good office for immediate assistance.

Respectfully yours,

Mrs. Wilhelmina Torres
