Dear Director Ferrer:

Greetings from Calapan City!

This refers to the quarterly project monitoring reports generated by the MIMAROPA Regional Project Monitoring Committee (RPMC) through the Regional Project Monitoring and Evaluation System (RPMES). The scope of reports to be submitted by the RPMC to the national level covers the following: (1) ongoing programs/projects in the Public Investment Program (PIP)/Regional Development Investment Program (RDIP); (2) ICC Approved Programs and Budgets; (3) President's Priority Programs and Initiatives, including the Balik Probinsiya Bagong Pag-asa (BP2) Program; (4) Peace, Security, and Development (PSD) Sector-related programs/projects, including ELCAC projects; and (5) Program/projects related to disaster/emergency rehabilitation and reconstruction under RRP.

The submission of the second quarter CY 2021 RPMES reports need to be done online through the ProyekTanglaw system. Hence, we would like to request again your RPMES focal persons to start inputting the project information in the RPMES Form 2 and RPMES Form 3 in the ProyekTanglaw system. We would appreciate receiving your inputs for the second quarter RPMES report on or before July 30, 2021 (Friday).
