DENRCM INFORMATION BULLETIN
2021-0002

ARCGIS DESKTOP AND ARCGIS PRO INSTALLATION AND AUTHORIZATION

Please be informed that field offices can now install ArcGIS Desktop and ArcGIS Pro concurrent licenses and use them offline for up to 90 days. In line with this update, please be guided as follows:

- **Application Installer**

Installers can be downloaded from this Google drive link: <https://bit.ly/3kgPuoM>

- **Installation Instruction**

Instructional documents and a video demonstration on the installation of the applications (OpenVPN, ArcMAP, and ArcGIS Pro) are available through the Google drive link: <https://bit.ly/3efVrPg>

- **Maximum Borrow Limit**

For security purposes, the maximum days that can be set for offline use (through the borrowing process) has been updated to 90 days. ICT personnel would need to reauthorize and go through the “borrowing process” after 90 days for the software to work offline again.

For more information and/or clarification, you may send an email to denrcontrolmap@denr.gov.ph.
