MEMORANDUM

TO : All Regional Executive Directors
Regions 1-13, NCR and CAR

FROM : The Undersecretary for Special Concerns
and OIC Director

SUBJECT : **UPDATE ON THE COASTAL AND MARINE SPATIAL
PLANNING (CMSP) VIRTUAL TRAINING**

DATE : JUL 14 2021

In relation to the Memorandum on Virtual Training on Coastal and Marine Spatial Planning (CMSP) for the Asean Region dated April 27, 2021, we would like to thank all the interested participants who submitted their requirements which we handed over to the organizer, Maritime Institute of Malaysia (MIMA). Upon discussion with their Ministry of Foreign Affairs (MFA) Malaysia, they advised us to get an endorsement from the Technical Education and Skills Development Authority (TESDA) through their Foreign Scholarship Training Program (FSTP) as the focal point responsible for the Malaysian Technical Cooperation Programme (MTCP) in our country. However, TESDA has their own deadline of submission and other requirements including interview of interested participants which we cannot meet due to time constraint.

In line with that, we will be organizing our own Coastal and Marine Spatial Planning in cooperation with the National Academy of Science and Technology (NAST). Details of the activity will be circulated once finalized.
