SUBJECT : **DENR- PCMC BLOOD- DRIVE ACTIVITY FOR THE  
YEAR 2021 ON JULY 30, 2021**

The DENR and the Philippine Children's Medical Center-Pediatric Blood Center (PCMC-PBC) will jointly conduct the voluntary blood- drive activity for the year 2021 on July 30, 2021, 9:00 A.M. to 4:00 P.M. at the 2<sup>nd</sup> floor, DENR Social Hall, DENR Main Building.

In this time of COVID19 pandemic, the increase in demand of safe blood to treat blood related diseases affects many lives including the elderlies and children. There is a need to collect about 2,500 units of donated blood every day to ensure the adequacy of supply to be used to treat various illnesses.

In light of this, may we request the names of personnel willing to become blood donors for the blood-drive activity. Kindly submit the lists to the Strategic Alliance and Environmental Partnership Division, SCIS, attention: Mr. Joshua Jhonel Magcamit on or before July 15, 2021 through telefax no. 927-6336/ 926-8346 or email [jaymagcamit@gmail.com](mailto:jaymagcamit@gmail.com).

Personnel who were successful in donating blood in the past are encouraged to donate again while those who were rejected may try again. New donors would be most welcome. All successful blood donors shall be entitled to an offsetting privilege for their participation during the event.

The participation of everyone is enjoined.
