## MIMAROPA RTF TO END LOCAL COMMUNIST ARMED CONFLICT DILG-LED CLUSTERS MEETING

# Cluster Perspective / Situational Updates

### Economic

- COVID-19 crisis affected the economic operations of the LGUs in the region
  - Travel Restrictions hinders the delivery of Goods and Services
  - Depleted resources of LGUs. Funds were diverted to COVID-19 response.
- Extortion (Revolutionary taxes)

## MIMAROPA RTF TO END LOCAL COMMUNIST ARMED CONFLICT DILG-LED CLUSTERS MEETING

# Cluster Perspective / Situational Updates

### Socio-Cultural

- IP Sector
  - Majority of ICCs/IPs are recruited by CTG
  - Violation of 4 Basic Rights indicated in IPRA Law (Ancestral Domain, Self-governance and Empowerment, Social Justice and Human Rights, Cultural Integrity)
- Youth Sector - Poverty as Hindrance to youth development
  - Lack of information drives re CTG Exploitation
- "Agrarian Revolution"
  - Delays on the distribution of lands
  - Land conversion

## MIMAROPA RTF TO END LOCAL COMMUNIST ARMED CONFLICT DILG-LED CLUSTERS MEETING

# Cluster Perspective / Situational Updates

### Technology

- Lack of Electricity, poor communication signals and internet connectivity in the CTG-affected areas - Remote areas/GIDA

### Environmental

- COVID-19 Pandemic
- Archipelagic location of Barangays and municipalities

## MIMAROPA RTF TO END LOCAL COMMUNIST ARMED CONFLICT DILG-LED CLUSTERS MEETING

# Cluster Perspective / Situational Updates

### Threats :

- COVID-19 Pandemic
- Archipelagic location of Barangays and Municipalities
- CTG atrocities (ambush of uniformed personnel, burning of industrial machineries, extortion, etc)

### Opportunities

- Implementation of Full Devolution by 2022. LGUs may now allocate more funds to security and development.
- Prohibition of Mass Gatherings due to COVID-19. Limited movements to conduct recruitment activities of CTGs.
- Enactment of Anti-Terror Law.
- Strong buy-ins of LGUs to ELCAC-related Programs.

## **MIMAROPA RTF TO END LOCAL COMMUNIST ARMED CONFLICT DILG-LED CLUSTERS MEETING**

### **Cluster Assessment of Operations (for Security Sector), Programs, Projects, and Activities**

#### 1. Provide data on Cluster Performance vs. NTF/RTF

- Harmonization, synchronization, and integration of all government PPAs to conflict affected and conflict-vulnerable areas through Whole of Nation Approach and Good Governance Approach;
- Implement an enabling umbrella program to operationalize EO 70

## **MIMAROPA RTF TO END LOCAL COMMUNIST ARMED CONFLICT DILG-LED CLUSTERS MEETING**

### **Cluster Assessment of Operations (for Security Sector), Programs, Projects, and Activities**

2. Indicate PPAs that contributed to the attainment of the Cluster Performance and NTF/RTF objectives

- RCSP, CUCPD, SBDP, FALGU, 4Ps (DSWD), Amnesty Program, Skills Training, Agricultural activities, Philhealth Registrations, Provision of Health services, etc.
- Social Infrastructure Building (SIB), PaSSover:ARBold Move for Deliverance of ARBs from COVID-19, Start-up for Affected and Typhoon-Ravaged ARCs (SARA), Linking Smallholder Farmers to market with Microfinance (LinkSFarMM), Climate Resilient Farm Productivity Support (CRFPS), Sustainable Livelihood Support, Major-Crop Based Block Farm Productivity Enhancement

## MIMAROPA RTF TO END LOCAL COMMUNIST ARMED CONFLICT DILG-LED CLUSTERS MEETING

### Cluster Assessment of Operations (for Security Sector), Programs, Projects, and Activities

2. Indicate PPAs that contributed to the attainment of the Cluster Performance and NTF/RTF objectives

- Cooperative Development Program (CDP): Provision of Technical Assistance Services (TAS) on Cooperative Development, Graduation of Cooperatives in terms of Asset Size Category, Research Communication and Advocacy, Standard Setting and Accreditation, Awards and Recognition and Documentation of Best Practices such as CDA Gawad Parangal, Capability Building Program for Cooperatives, Project Development and Assistance;
- Cooperative Regulatory Program (CRP): Registration of Cooperatives and Amendments, Regulation of Cooperatives, Formulation of Guidelines, Rules and Regulations, Investigation, Hearing of Cases and Legal Actions, Alternative Dispute Resolution

## MIMAROPA RTF TO END LOCAL COMMUNIST ARMED CONFLICT DILG-LED CLUSTERS MEETING

### Cluster Assessment of Operations (for Security Sector), Programs, Projects, and Activities

#### 3. Challenges and Lessons Learnt

##### 3.a. Challenges

- COVID-19 situation
- Overlapping activities resulting to non-conduct of cluster meetings
- Lack of clear guidelines (especially on deliverables) per cluster from

NTF-ELCAC

- Submission and consolidation of cluster accomplishments

##### 3.b. Lessons Learnt

- Intensify efforts to convene every cluster and enjoined members participation and commitment;
- Regular consolidation of Cluster Accomplishments.

## MIMAROPA RTF TO END LOCAL COMMUNIST ARMED CONFLICT DILG-LED CLUSTERS MEETING

### Cluster Assessment of Operations (for Security Sector), Programs, Projects, and Activities

#### 4. Best Practices

- Participatory Planning on updating/formulating of BDPs.
- Advocacy Campaigns during Barangay Assembly Day.

#### 5. Peculiarities, if any

- Overlapping of Cluster Activities and member agencies Mandated Functions

#### 6. Recommendation/s

- NTF-ELCAC should provide clear guidelines on specific deliverables (measurable) of each cluster.
