Dear Dir. Ferrer:

We are cordially inviting you to participate in the Regional Data Dissemination Forum on the Population Counts on 23 July 2021 at 1:00 p.m. and will be hosted in a video teleconference platform. This forum will focus on the population of the MIMAROPA region based from the 2020 Census of Population and Housing (2020 CPH).

Population counts serve as bases of national and local chief executives, policy makers, and programmers in preparing their social and economic development plans, policies, and programs. The result of the 2020 CPH will be also used by the private sector, academe, and researchers in conducting studies to identify sites for establishing businesses, as basis in preparing projections at the national and subnational levels, among others.

Attached is a draft flow of the dissemination forum for your reference. We highly appreciate your confirmation by accomplishing the form at: <http://tinyurl.com/2020Popn17>.

Should you have further inquiries, please do not hesitate to contact the Secretariat via e-mail on statisticsr4b@yahoo.com or through telefax at (43) 286-7491.

Thank you very much. Keep healthy and safe.

Very truly yours,

for RD Leni R. Rioflorido

Raymond R. Lapus
