Dear ma'am/sir,

Good morning.

Please see attached memorandum regarding the article published by Business Mirror last June 27, 2021 (See below link for reference) on Artificial Reef and Coral Gardening Projects by Diving and Snorkeling Operators.

<https://businessmirror.com.ph/2021/06/27/man-made-reefs-do-more-harm-than-good-to-oceans/>

In consideration of our Green Fins implementation, may we respectfully request you to look into this matter. More details are in the attached document.

Thank you very much!

All for the best,
