Dear Jocelyn,

Warm greetings.

This has reference to your letter dated March 4, 2016, received by this office on the 29th of July 2016 seeking for issuance of certification and classification status of your actual occupied tract of land.

Please be informed that in an investigation conducted by one of the representative of this office on the premises of the land subject of your request, it appears that you and your group are in the actual occupation over a certain tract of land which could be construed as Salvage and or Accretion.

However, in the same investigation, it was found out that a case had been lodged by a certain Edna L. Balisbis against you in Office of the Punong Barangay of Barangay Bucana, El Nido, Palawan with the contention that the same tract of land is within their titled area under TCT No. T-21658, covering Lot No. 993, Csd-04-013846-D, identical to Lot 5753, Cad 1037-D. Presently, the case is still the subject of the on-going Barangay Conciliation Proceedings.

Hence, in as much as our desire to give your needed request, but, with due respect to above cited reasons this office at present is incapable to grant the said request. Please be reassured that this office will surely give impartial proceedings once the case will reached this office.

Further, we are hoping that the conciliation proceedings will result to an acceptable resolution on the matter and not to go beyond conflict and misunderstanding.

Please bear with us. Thank you.

Very truly yours,

FELIZARDO E. CAYATOC
