**GEN. ROY AGULLANA CIMATU**

Secretary

Department of Environment and Natural Resources

DENR Building, Visayas Avenue, Vasra, Quezon City

Dear Gen. Cimat,

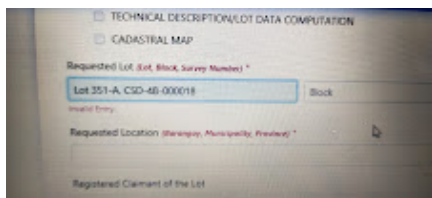

Greetings!

I am Mr. Ralph E. Palao from Aborlan, Palawan. Two lots have been titled in my name bearing title number CARP2014001950 and CARP2014001951 under Lot Number 351-A, CSD-4B-000018 and 351-B, CSD-4B-000018 respectively. The Municipal Assessors Office of the Municipality of Aborlan, Palawan is requiring the submission of the Approved Survey Plans for both lot before issuing a new Tax Declaration. We tried to apply through your webpage for a survey plan but were not successful since the lot number is not recognized by the application. Attached is a copy of both titles referred to above.

In this regard, I am requesting for a copy of the Approved Survey Plans surveyed by Engr. Romeo G. Trocino on June 28- July 12, 2010 and approved last January 25, 2011 for both properties.

Your immediate response and efficient service to the public will always be highly appreciated.,
