Dear Madam/Sir:

Good afternoon.

Kindly see attached invitation (advance copy) for the conduct of the National Orientation for the Roll-out of BFAR's IUU Fishing Index and Threat Assessment Tool on **27 July 2021**, Tuesday, 9AM - 12PM.

The BFAR proposes for the conduct of the IUU fishing assessment in priority NIPAS MPAs in order to contribute to the national baseline this year, while at the same time, incorporating this in the Protected Areas Management Plans. The DENR Regional and Field Offices are likewise enjoined to coordinate with the BFAR regional/field counterparts to initially discuss I-FIT Tool, so as to seek concurrence from your office regarding the conduct of the IUU fishing assessment in priority NIPAS areas, and the possibility of including thereof in the MPA Management Plan

Relative thereto, for the issuance of the DENR Special Order for the said activity, may we kindly request for your list of representatives in the following format: (Name, Office, Designation, Email Address).

Kindly send the requested details on or before 21 July thru your respective CMEMP Action Officers or thru Ms Jacqueline Concepcion at cmd@bmb.gov.ph

Thank you and we look forward to your participation in this event.
Keep safe!

Sincerely,
