ORDER

On today's hearing, thru video conference, the court notes the presence of the plaintiffs, assisted by their counsel Atty. Maria Gisela Josol-Trampe, Atty. David Jaranilla, counsel for the defendant, Ms. Elvie Base, Records Officer of CENRO Taytay Palawan and Atty. Gandhi Flores, Legal Officer of the Regional Office of the DENR MIMAROPA. No appearance on the part of the defendant Edgardo Trinidad who is apparently still recuperating from COVID as manifested by his counsel Atty. Jaranilla.

Ms. Base took the witness stand, as a recalled witness and, presented and submitted to the court the certified blue and white print of Cadastre 1037-D issued by the Regional Office of the DENR MIMAROPA. Ms. Base identified lot 698 and lot 699 on the Cadastre. However, considering that the list of claimants and the technical description pertaining to lot 698 and 699 are still not available, counsel for the plaintiffs Atty. Trampe, requested for the suspension of the testimony of Ms. Base. Atty. Jaranilla objected the motion invoking the one witness one day rule, however, considering the importance of the testimony of Ms. Base, in relation to the existence of said documents coming from the Regional Office of DENR MIMAROPA, the court granted the motion to suspend the testimony of Ms. Elvie Base, until after the representative from the Regional Office of DENR MIMAROPA has already testified.

Accordingly, today's hearing is hereby reset on August 23, 2021 at 8:30 on the morning. The representative from the Regional Office of the DENR MIMAROPA shall testify on the next scheduled hearing.

Issue another Subpoena Duces Tecum Ad Testificandum to the representative of the Regional DENR MIMAROPA Office for the next scheduled hearing to testify at 8:30 in the morning, and the representative from PENRO at 1:30 in the afternoon. Likewise issue notice of hearing to Atty. Gandhi Flores, Legal Officer of the Regional Office DENR MIMAROPA. All other parties present are duly notified of the next scheduled hearings and no further notice shall be issued to them.

IT IS SO ORDERED.

Given in open Court thru video conferencing this 26th day of July, 2021 for El Nido, Palawan.
