Dear Miss Pagdanganan:

Greetings!

In the above-stated letter, you requested the Office of the Solicitor General (OSG) for records pertaining to the following:

1. Case file re 79 establishments given notice to vacate
2. Case file re Palawan PENRO case against Sunlight Ecotourism Island Resort

Upon verification from our records, it appears that the Department of Environment and Natural Resources (DENR) has not endorsed any concern relating to the above-stated cases

to the OSG. We thus regret to inform you that we may not provide you with the data or information that you need for your research.

However, may we suggest that a similar request be made directly to the DENR MIMAROPA, it being the primary agency responsible for the conservation, management, development and proper use of the environment in the province of Palawan.
