The Survey & Mapping Division

**Dear Red Ferrer:**

Greetings from PCSDS!

May we earnestly follow up our request for certified true copies of Land Classification (LC) maps of the municipalities of El Nido & Taytay, Palawan. This is based on the attached Memorandum of PENRO Eriberto Saños to your Office dated May 19, 2021, more than two months ago.

Anticipating your swift response on this matter as these LC maps are vital inputs to the updating the ECAN zoning maps of the said municipalities.

Thank you and Godspeed.

Very truly yours,

**ATTY. TEODORO JOSE S. MATTA**  
Executive Director
