OFFICE OF THE MAYOR

EXECUTIVE ORDER NO. 33 series of 2019

CREATION OF LOCAL GOVERNMENT TEAM FOR CLEARING OF ROADS OF  
ILLEGAL STRUCTURES AND CONSTRUCTIONS IN THE MUNICIPALITY OF  
ODIONGAN, PROVINCE OF ROMBLON

WHEREAS, Memorandum Circular No. 2019-121 of the Department of the Interior and Local Government as per the President's directive during the 2019 State of the Nation Address, states that all local officials are enjoined to exercise their powers essential to reclaim public roads which are being used for private ends and in the process, rid them of illegal structures;

WHEREAS, based on the said Circular, the local governments are also to cause rehabilitation of all recovered public roads by placing street signs and street lights, among others;

WHEREAS, it is also encouraged to develop and implement strategies that will address the displacement issues cause by the implementation of the directives;

NOW THEREFORE, I, TRINA ALEJANDRA Q. FIRMALO-FABIC, Municipal Mayor of Odiongan, Romblon, by virtue of the powers vested in me by law, do hereby order the following:

SECTION 1. The Local Government Team for clearing of roads of illegal structures and construction is hereby created to be composed of the following:

|                  |                                                                                                         |
|------------------|---------------------------------------------------------------------------------------------------------|
| Chairperson      | : HON. TRINA ALEJANDRA Q. FIRMALO-FABIC<br>Municipal Mayor                                              |
| Vice Chairperson | : HON. DIVEN. F. DIMAALA<br>Municipal Vice Mayor                                                        |

**MEMORANDUM CIRCULAR**  
No. 2019-121

29 JUL 2019

**TO :** ALL PROVINCIAL GOVERNORS, CITY AND MUNICIPAL MAYORS,  
PUNONG BARANGAYS, HEADS OF LOCAL SANGGUNIANS, DILG  
REGIONAL DIRECTORS, BARMM REGIONAL GOVERNOR, AND  
ALL OTHER CONCERNED

**SUBJECT :** PRESIDENTIAL DIRECTIVE DURING THE 4<sup>TH</sup> STATE OF THE  
NATION ADDRESS OF THE PRESIDENT TO CLEAR ROADS OF  
ILLEGAL STRUCTURES AND CONSTRUCTIONS

In line with the President's directive during the 2019 State of the Nation Address, all local officials are enjoined to exercise their powers essential to reclaim public roads which are being used for private ends and in the process, rid them of illegal structures and constructions. Local governments are also to cause rehabilitation of all recovered public roads by placing street names and street lights, among others. They are likewise encouraged to develop and implement strategies that will address the displacement issues cause by the implementation of this directives.

Relatedly, local chief executives are hereby directed to revoke permits that give authority to private entities to occupy public roads, alleys and other thoroughfares. Prudence must also be observed in placing street signs and signages to avoid exacerbating problems on obstructions. Moreover, local sanggunians are enjoined to revisit ordinances and similar legislative measures to ensure responsiveness to this presidential directive and consistency with related laws and policies.

For strategic implementation of this Circular, all provinces, highly urbanized cities (HUCs), cities and municipalities shall prepare an inventory of all roads within its jurisdiction. To help their component Local Government Units, Provincial Governments shall share their Local Roads Network Development Plan which provides a Geographic Information System-based roads network map. LGUs must ensure immediate and effective implementation of road clearing operations.

Within 60 calendar days, significant results must be achieved, documented, and reported together with the efforts of the LGUs to sustain the same.

All Department of the Interior and Local Government (DILG) Regional Offices and the BARMM Regional Governor shall submit a weekly progress report on this matter to the Office of the Secretary through the Bureau of Local Government Supervision (email address: [blgs.od2016@gmail.com](mailto:blgs.od2016@gmail.com)) for the first three months of the effectivity of this circular and quarterly reports thereafter.

In case of non-compliance, appropriate administrative cases shall be filed pursuant to Section 60 (c) of the Local Government Code of 1991 and other existing laws and policies. Corollary thereto, it must also be the responsibility of all Local Chief Executives to exact accountability and impose corresponding sanctions, after observance of due process, against non-supportive and/or non-compliant local officials and employees.

This Memorandum Circular shall take effect immediately.

  
EDUARDO M. AÑO  
Secretary

The National Office be brought into Notice with their competence of law and regulation in interpretation of the many illegalities rendered by the establishment in most of the designated areas. None compliance of

- A) Environment Certification
- B) Anti Pollution Control Certification
- C) Land Usage – No Conversion Certification

Residential converted to commercial and industrial set up with no references to the hazards and other consequences.

- D.) Water Safety Treatment Certification

Observation/Commentary

The Civil Society and the Concerned Citezenry

- Preservation of the Environment

- Fight for Corruption

Crusade for Illegalities on government transactions/ implementations and abusive rendition of service.

- Businessmen/Contractors/Developers involved on developing their estate with no road board as their permits for Land conversion from the respective authorities to give awareness to the people what their development is all about, e.g agricultural land converted to commercial, industrial residential their consequences to adjoining real properties that may cause hazards as pollution, catastrophies as floodings fire and others, Water Waste and Treatment Plan, Drainage, Environment Compliance Certification.

These manifestations must be given utmost attention by all the National Agencies concerned DENR, DILG, DOT, DAR, DA and others before all the national patrimony. As the population grow the more the concerns of the populace in jeopardy. Inspection investigation must be done in thorough as what happens now in Boracay which is the island nearby as Odiangan Tablas island a potential tourist destination with prime. The citizenry will coordinate upon the inspection team from the natural office with investigative reports plus other areas that shall be asked for.

-Shoreline Easement of 25+5 was not followed instead the establishments encroach and made infillings further the sea and arrange their sewage disposal direct to the sea.

- Marine Zone or Salvage Zone has been constructed with Hotels Inns, Bars , Eateries , Cafes , Places of Abode thus full scale commercialization of the area task place.

- Easements has then been used for commercial purposes private usage waste disposals and others unsanitary set up and safety for the populace on jeopardy.

- Eco waste management's so coastal resources and rivers has to be given full attention as waste disposals must be acted upon and the road easements must be developed, Municipal, Provincial, National so the Canalization for excellent flow of water disposal and not depot for waste materials resulting to Stagnation.

Commentary of Senator Loren Legarda whose advocacy on Natural Preservation of the Environment and with her Luntiang Pilipinas and Quote : What applies in Boracay with her sponsored Law applies to the whole Philippines. Further on Senator Franklin Drilon said emphatically that everything has to be given all finality in implementing the Law of the promulgate on the presentation of the environment in the Natural way.
