Dear **Mayor Fabic**:

This has reference to a letter from Ms. Norma Dela Austria which the Department of Tourism (DOT) Main Office received and referred to our office. Ms. Austria, a resident from Sitio Ilong-Ilong in Barangay Budiong, Odiongan, Romblon, was expressing her concern over the monitoring of environmental and tourism concerns near her area of residence.

Ms. Austria mentioned the implementation of the riverbank protection project and easement concerns on the river near her residence. Likewise, she raised concerns on the possible water and air pollution that the establishments near the river may bring.

In line with this, may we respectfully endorse the said letter for validation and appropriate action of the LGU's MENRO and Tourism Office. We also furnished DENR Regional Office a copy of the letter for their information and necessary action.
