Proponent

Villa Israel Eco Park

Brgy. Corong-corong, El Nido, Palawan

Dear Mr. Gomez,

This pertains to the letter from Regional Executive Director (RED) Maria Lourdes G. Ferrer, *CESO III* dated April 14, 2021 received by this office on June 4, 2021. The letter enumerated the Biodiversity Management Bureau's (BMB) comments and recommendations on your Special Use Agreement in Protected Area (SAPA) application for Villa Israel Eco Park based on their review.

As stated in the said letter, you are advised to revise and align the applied area covered by your SAPA application and Comprehensive Development Management Plan (CDMP) to the issued Environmental Compliance Certificate (ECC). The Rehabilitation Plan should also be revised consistent with the Rule 25.18 and 25.19 of DENR Administrative Order (DAO) 2019-05 (Implementing Rules and Regulation of RA 11038). Lastly, photocopy of the Official Receipt (OR) for the payment of SAPA application fee amounting to ₱5,000 should also be attached.

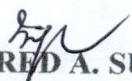

The computation of the annual SAPA fee is also stated in the letter, please be informed that the computed annual SAPA fee will be based on the revised area specified in the CDMP.

Furthermore, the Regional Executive Director (RED) Office-Region IV MIMAROPA is requesting for your official response to the issued Notice to Vacate (NTV) by the El Nido Task Force Challenge for it will be one of the basis for specific provisions to be incorporated on the terms and conditions in the SAPA agreement.

We are hoping for your immediate response and submission of revised documents.

Thank you for cooperation.

Sincerely,

MILDRED A. SUZA
Protected Area Superintendent
