Dear Madam:

Warmest Greetings!

This has reference with the ten-hectare property of the Municipality located at Barangay Antipuluan and was identified by the municipality as the site for the proposed municipallyowned memorial park project. The paramount objective of the project is to address the problem of the super congested public cemetery located at Barangay Panacan. The said public cemetery had been operating for more than seven (7) decades now.

In relation hereto, the undersigned is expressing our utmost desire and intent to apply for a "special patent" to the Department of the Environment and Natural Resources for the said project. More so, the undersigned is also requesting for the list of requirements and a copy of the application form for this purpose.

Should there be further clarifications, the undersigned is authorizing Ms. Elvira C. Sumawang, Municipal Assessor as my authorized representative on this matter with mobile number 0923-090-5824.

Finally, attached herewith is the copy of the Tax Declaration and other necessary documents for your ready reference.

Your usual support and cooperation is highly appreciated. Thank you very much and God bless!

Yours in public service,
CRISPIN O LUMBA, JR.

Acting Municipal Mayor
