6	Kalumpit	<i>Terminalia microcarpa</i>	41	5	0.31
Total					2.37

2. The logs and derivable wood materials to be recovered from the cut trees belong to the permittee subject to payment of forest charges. The forest charges shall be based on the result of scaling after cutting operation. Provided, that in case of transport, necessary transport documents shall be secured from the local DENR Field Office concerned
3. Prior to the tree cutting operation, a placard or signboard with a dimension of 4 feet by 8 feet shall be installed in a conspicuous place to inform the public that the tree cutting operation is authorized by the DENR. The notice of particulars shall include the name of permittee, purpose of the activity, and the number of trees to be cut;
4. The permittee shall replace each tree cut with one hundred (100) seedlings or a total of 600 seedlings strictly of indigenous species in compliance with the DENR Memorandum Order No. 2012-02 dated November 05, 2012 re: "*Uniform Replacement for Cut and Relocated Trees*" to be turned-over to the local DENR Field Office concerned in support to the National Greening Program (NGP) and climate change initiatives of the Government;

5. The tree cutting operation shall be at all times under the direct supervision of the Regional Executive Director concerned or his duly authorized representatives. The Regional Executive Director shall be held administratively, civilly, and criminally liable should this Permit be used in any illegal purpose;
6. The chainsaw to be used in the cutting operation shall be registered pursuant to DAO 2003-24 entitled "*Implementing Rules and Regulation of the Chainsaw Act of 2002*";
7. The permittee shall be required to undertake necessary measures during and after cutting operation to mitigate the negative impacts of the said activity to the locality; and
8. Violation of any of the above conditions shall be sufficient ground for termination/cancellation of the permit, subject to due process without prejudice to the imposition of appropriate penalties pursuant to existing regulations.

This PERMIT is effective on the date of issuance and expires **FIFTY (50) DAYS** upon receipt of the Permittee or as soon as the volume authorized herein is exhausted, whichever comes first.

Issued this JUN 21 2021 at Quezon City, Philippines.
