Dear **Director Ferrer**:

*Greetings!*

In celebration of the Philippine Environment Month (June 2021) with the theme, “*Sama-samang Pagkilos, Sama-samang Paghilom, (Ikaw, Ako, Tayo, ang Kalikasan,*” the Environmental Management Bureau (EMB) MIMAROPA Region will be conducting a Webinar, entitled “***Rethinking Plastic Consumption: An Overview on the Efforts to Beat Plastic Pollution.*** This year’s celebration encourages us to take action to revive and restore the earth by strengthening our rivers, oceans, and coasts and rethinking our plastic consumption.

Plastic Pollution has impacted our lives in many ways – from our waterways, oceans, soil, to airborne dusts that can affect not just our health but also the future of humans, animals, waterways, oceans, and the environment. In line with the effort to raise awareness, this Webinar aims to provide an overview on waste management and mismanagement of plastics, knowledge and understanding of existing environmental laws, and outline practical plastic reduction strategies for a healthier, more sustainable, and more equitable future for all.

The said Webinar will be held on **30 June 2021 at 7:30AM – 12:00PM via Zoom Platform**. We would like to invite **one (1) representative** from your good Office as participant to this Webinar.
