REQUIREMENT FOR THE RENEWAL OF EXPIRING CBFMAs***

DATE : **MAY 28 2021**

In line with the forthcoming conduct of the Virtual Regional Training-Orientation on FMB Technical Bulletin: *Guide on the Conduct of Participatory Community-Based Forest Management Agreement (CBFMA) Holder Performance Evaluation as a Requirement for the Renewal of Expiring CBFMAs*, we are pleased to invite your respective Regional CBFM Coordinators to join the **online preparatory meeting on 31 May 2021 (Monday), 9:00 AM onwards**. The Zoom meeting link will be provided prior to the meeting.

The online preparatory meeting aims to discuss and seek the inputs/comments of the participants anent the activity design and other arrangements, including schedules/timeframe, program of activities and target participants, among others, of/for the aforementioned virtual regional training-orientation. By engaging with the Regional Offices, we will be able to enhance and tailor the structure of the training-orientation to the specific needs (both technical and administrative) of the regions. In general, same will assist the Forest Management Bureau in eventually equipping our DENR Field Offices with common interpretation of the Technical Bulletin, which should be then translated into a rational and coherent conduct of the actual performance evaluation on the ground, with the participation of the CBFM holders.

We would be honored if you consider granting our invitation. Kindly confirm the participation of your respective Regional CBFM Coordinators through the Community Forestry Section (CFS) of our Forest Resources Management Division (FRMD) through fmnb2cbfm@gmail.com and landline number (02) 8-927-72-78.
