SUBJECT : WEEKLY HEALTH STATUS REPORT OF CENRO – CORON
PALAWAN COVERING MAY 17 – MAY 23, 2021.

DATE : 23 MAY 2021

Respectfully submitted is the weekly health status report of CENR Office employees, BPR monitoring office, embedded personnel, and other office staff.

Please be informed that to date this office have recorded twelve (12) confirmed COVID cases following the result of the confirmatory test of those who tested positive in Antigen tests reported last week. Twenty (20) closed contacts of the confirmed covid employees were negative in antigen test performed. Further, we have one (1) recorded recovery who is now reunited with his family in Culion.

All confirmed personnel are quarantined in designated facilities, and some were allowed to stay home but with strict isolation from other members of the family. All the covid stricken personnel are slowly recovering and are said to be in good health condition, while this office is closely monitoring the condition of our lone confirmed senior citizen covid case who is still experiencing cough and headache as of this writing.

Further, all employees were instructed to work from home following the rapid rate of transmission of the virus recorded in the municipality.

For information, records, and consideration.
