Dear Sir/ Ma'am,

The DENR- Biodiversity Management Bureau through CMD is currently developing the Biodiversity Assessment and Monitoring System for the Coastal and Marine Ecosystems Audio Visual presentations. The AVP will be the shortened and simplified medium on capacitating Regional and Field Offices.

With this, may we request for any available **high resolution photos, videos** and **drone shots** on/ during conducting habitat assessments. To serve as your guidance, we have provided all of the descriptions of the materials and materials should be uploaded to this folder: <https://tinyurl.com/BAMSAVPMaterialsRFO> . The deadline of submission is on **JUNE 18, 2021**.

For your guidance, attached is the signed memo.

Thank you!
