Dear **Madam Diaz**:

Greetings!

In the interest of service and in line with the celebration of the **National Clean Air Month**, **National Environmental Awareness Month**, and **National Climate Change Consciousness Week**, with the theme “*Nurture Nature for a Sustainable Future*,” the Environmental Management Bureau MIMAROPA Region intends to conduct a simultaneous tree planting activity on **22 November 2021** in the Region.

In view thereof, we would like to request from your good Office to recommend available tree planting sites and possible tree species for the simultaneous planting activity to be conducted. Further, this also serves as an invite for your Office’s participation on the conduct of the said planting activity.

For inquiries and further clarification, please contact Ms. Maria Siena M. De Luna, Office-in-Charge of the Regional Environmental Education Unit at mariasiena_deluna@emb.gov.ph or 0917-1909-779.

Thank you very much and looking forward to hearing from you on this matter.

Very truly yours,
