

Department of Environment and Natural Resources
Ecosystems Research and Development Bureau

MEMORANDUM

FOR : **MA. LOURDES G. FERRER, CESO III**
Regional Executive Director
1515 L & S Building
Roxas Boulevard, Ermita
Manila

ATTENTION : **PENRO ORIENTAL MINDORO**

FROM : **The Director, ERDB**
Los Banos, Laguna

SUBJECT : **CONDUCT OF MONITORING AND EVALUATION
ACTIVITY FOR TURNED OVER CLONAL NURSERY TO
DENR-PENRO ORIENTAL MINDORO ON NOVEMBER 29-
30 AND DECEMBER 1-3, 2021.**

DATE : October 27, 2021

ATTACHMENT : NGP production of quality planting materials monitoring form

This is in connection with the implementation of the Expanded National Greening Program (ENGP). The DENR central office assigned ERDB to facilitate the conduct of Monitoring and Evaluation (M&E) activities of turned over clonal nurseries to ensure that activities are accomplished and targets are met.

However, since 2020 field travels of ERDB main office personnel are very limited due to the imposition of the community quarantine restrictions and health protocols to prevent the further spread of the virus. In this regard, Research Centers have been given instruction to facilitate the conduct of M&E in their respective areas of jurisdiction.

Please be informed that we are sending our staff from the Urban & Biodiversity Research Development Extension Center (UBRDEC) based in Pagbilao, Quezon to conduct the M&E on November 29 to 30 and December 1 to 3, 2021.
