MEMORANDUM

FOR : The Regional Executive Director
Department of Environment and Natural Resources
MIMAROPA Region

FROM : The Regional Director
This Office

SUBJECT : Land Dispute between Mr. Antonio Baguinsa and Mineral
Production Sharing Agreement No. 213-2005-IVB granted
to Rio Tuba Nickel Mining Corporation

This respectfully refers to the Letter dated 25 October 2021 of Mr. Antonio Baguinsa (copy attached), which was received by this Office on 08 November 2021, on the above subject.

Attached on the same letter is a copy of the Memorandum dated 26 October 2021 of CENRO – Brooke's Point to PENRO – Palawan with a recommendation to forward a copy of the report dated 15 June 2021 of Engr. Jonathan Gellez to MGB and DENR – MIMAROPA Region. However, this Office has not yet received a copy of the report.

Please be reminded that in the Memorandum dated 03 September 2021 (copy attached), this Office raised the issue, per 27 August 2021 letter of Rio Tuba Nickel Mining Corporation (RTNMC), regarding the incomplete verification of the two remaining monuments on the subject survey property which casts doubts as to the accuracy, completeness, and truthfulness of the data in the survey report.

In this regard, we are respectfully requesting for a copy of the 15 June 2021 Report of Engr. Gellez and an update on the 03 September 2021 Memorandum issued by this Office or resolution on possible encroachment from the mining operations of RTNMC.

For the Regional Executive Director's further action, please.

FOR : The Regional Executive Director

FROM : The Regional Director
This Office

SUBJECT : Land Dispute between Mr. Antonio Baguinsa and Mineral
Production Sharing Agreement No. 213-2005-IVB granted
to Rio Tuba Nickel Mining Corporation

Attached are copies of the Letters dated 26 August 2021 and 27 August 2021 of Mr. Antonio Baguinsa and Engr. Cynthia E. Rosero, Resident Mine Manager of Rio Tuba Nickel Mining Corporation (RTNMC), respectively, regarding the alleged encroachment of the mining operations of RTNMC under Mineral Production Sharing Agreement No. 213-2005-IVB to the private land of Mr. Baguinsa.

Based on our evaluation, this Office finds that the issue is more of a land title conflict which is beyond our jurisdiction. Please note that per above-cited letter of RTNMC, it claimed that Engr. Jonathan Gellez of PENRO "xxx did not complete the verification of the two remaining monuments on the property subject of the survey," and that such casts doubts as to the accuracy, completeness and truthfulness of the data in the survey report.

In this regard, we are respectfully requesting that the issue raised be resolved by your Office. This Office shall act further only if your Office has ruled on the validity of the survey and the possible encroachment from the mining operations of RTNMC.

For the Regional Executive Director's further action, please.

This refers to the Undated letter of Mr. Antonio L. Baguisa to the Office of the President of the Philippines, complaining on the alleged encroachment on his titled properties situated in Brgy. Sandavel, Bataraza, Palawan by the mining operations of Rio Tuba Nickel Mining Corp. (RTNMC) under its Mineral Production Sharing Agreement No. 213 2005-IVB.

A copy of the said letter was forwarded to us by Mr. Angelito L. Aspiras, Attorney-in-Fact of Mr. A. L. Baguisa, via LBC, which we received on 22 July 2021.

Mr. A. L. Baguisa claimed that there was a prior agreement made to settle the encroached portion of his land by the representative of RTNMC, Mr. Butch Abiog, to wit:

"Ang sabi ni Gineong Butch Abiog sa akin na pafunayan ko kung may na encroach or babayaran din ng RTN company, yan po ang aming pinagkasapang at pinatigay ninyo yan bilang nang lab, at laa rin ako dahil sa kin yan wala kayong karapatan."

In this regard, we are forwarding copies of the documents for your comment/s or you may reply directly to Mr. A. L. Baguisa, copy furnished this Office.

Dear Mr. M.A. Zamora:

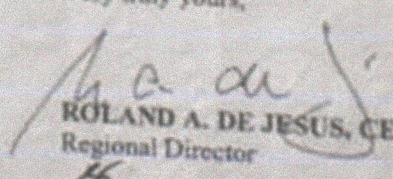

Please find the letter and attachments dated September 8, 2020 of Mr. Angelito L. Aspiras, Attorney-in-fact of Mr. Antonio L. Baguinsa. As mentioned, the quarrying operations of Rio Tuba Nickel Mining Corporation (RTNMC) in Sitio Gotok, Brgy. Sandoval, Bataraza, Palawan had allegedly encroached on the property of Mr. Baguinsa.

Moreover, Mr. Baguinsa stated in his letter dated August 29, 2020, that RTNMC personnel had already conducted their land survey but it was not his lot. Accordingly, RTNMC then advised Mr. Baguinsa to conduct his own land survey and RTNMC will pay if it encroached his lot.

SUBJECT: **Request for Land Survey and Investigation of Lot of a Certain Mr. Antonio L. Baguinza located in Brgy. Sandoval, Bataraza, Palawan**

Please find the letter and attachments dated September 8, 2020 of Mr. Angelito L. Aspiras, Attorney-in-fact of Mr. Antonio L. Baguinza. As mentioned, the quarrying operations of Rio Tuba Nickel Mining Corporation (RTNMC) in Sitio Gotok, Brgy. Sandoval, Bataraza, Palawan had allegedly encroached on the property of Mr. Baguinza.

Moreover, Mr. Baguinza stated in his letter dated August 29, 2020, that RTNMC personnel had already conducted their land survey but it was found out that it was not the complainant's lot. Accordingly, RTNMC then advised Mr. Baguinza to conduct his own land survey, but unfortunately, Mr. Baguinza has no capacity to shoulder the expenses in conducting the said activity.

In this regard, may we request for a land survey and investigation on the lot of Mr. Baguinza located in Brgy. Sandoval, Bataraza, Palawan as we are unable to conduct such activity due to the travel restrictions brought by the COVID-19 pandemic.
