MA. LOURDES G. FERRER, CESO III

Regional Executive Director
DENR - MIMAROPA
1515 L & S Bldg., Roxas Blvd.
Ermita, Manila

Dear **RED Ferrer**:

Warm greetings from South Palawan!

The National Greening Program (NGP), a convergence initiative of DA-DAR-DENR, with DENR as the lead agency, is a government priority project with the main goal of improving the overall quality of our environment. The two main priority projects under NGP are the rehabilitation of denuded forest lands and the maintenance and protection of existing forests. With the recent typhoons and calamities that struck the Province of Palawan, the importance of environmental protection and greening programs has been accentuated.

As such, this Representation would like to request for a copy of the annual reports of the National Greening Program implementation in Palawan since its inception. These reports will be of great assistance on legislations, programs, and projects that we intend to pursue for South Palawan.

Thank you very much and *mabuhay po kayo*!

Very truly yours,

CYRILLE "BENG" F. ABUEG-ZALDIVAR

Representative
Second District, Palawan
